POPE IS AGAIN AT HIS 'DUTIES IN THE VATICAN'
Pontiff Names Dr. Andrea Amadi as His Private Physician for Aiding Recovery

(By Associated Press.)
ROME, May 3.—The health of the pope continues to improve. Every day he descends his library and devotes several hours to his work. It was learned that one of his first acts after he became convalescent was to appoint Dr. Andrea Amadi his own private physician. Although Dr. Amadi is not the official physician, he shared with Prof. Itirore Marchese the responsibility of caring for the pontiff during his recent illness.

CALIFORNIA SENATE IGNORES BRYAN AND PASSES LAND BILL
(Continued From Page 1)

When it will be in order to take the measure, the senate will have to first see to it that the measure is not in violation of the constitution. It is believed that the senate will pass the land bill today, after a two-day session. The measure is expected to pass by a large margin.
