A Sale of Brass Wares In Which Jardinieres, Window Boxes, Fern Dishes, Andirons and Novelties Are Priced at Half and Less

There is always a place in a well regulated household for an artistic piece of brass ware, or, perhaps we should say, for another piece of brass ware. Now is your time to secure another piece at a price never more than half, and very often less than half.

It is our June disposal, which alone accounts for such prices. The brass wares are elegant; usually those heavy, hand-crafted pieces that lend distinction and grace wherever they are placed—such, too, as seldom find their way into such a sale. But all merchandise, be it ever so artistic and beautiful, is only merchandise at Chamberlin-Johnson-DuBose Co., and so must be disposed of in good season.

Table listing various brass wares and their prices, including Smoking Sets, Jardiniere, Window Boxes, etc.

Children's White Dresses Reduced One-Third Junior Department, Third Floor

A sale timed to the moment! Summer was officially ushered in just this week, and now comes the disposal of these hot days. The dresses are in sizes one year to six years, and are as fresh and dainty and pretty as even the fondest mother could wish—dainty and pretty with fine Valenciennes laces and embroideries that come under the heading of "baby" patterns. Many styles, of course (they are our "regular" stock); straight Russian dresses, Balkan dresses, long-waisted effects with plaited skirts, low neck, short sleeves and high neck and long sleeves. The choice is indicated by the price range.

Table listing children's dresses and prices, including \$1.25, 1.50, 2.00, 2.50, 3.00, 3.25 Dresses are \$1.84, \$2.33, \$2.67, \$3.33, \$4.00, \$5.00, \$6.00.
