Category:LEO FRANK TRIAL BRIEF OF EVIDENCE

MISS MONTEEN STOVER, sworn for the State.

I worked at the National Pencil Company prior to April 25th, 1913. I was at the factory at five minutes after twelve on that day. I stayed there five minutes and left at ten minutes after twelve. I went there to get my money. I went in Mr. Frank's office. He was not there. I didn't see or hear anybody in the building. The door to the metal room was closed. I had on tennis shoes, a yellow hat and a brown rain coat. I looked at the clock on my way up, it was five minutes after twelve and it was ten minutes after twelve when I started out. I had never been in his office before. The door to the metal room is sometimes open and sometimes closed.

CROSS EXAMINATION.

I didn't look at the clock to see what time it was when I left home or when I got back home. I didn't notice the safe in Mr. Frank's office. I walked right in and walked right out. I went right through into the office and turned around and came out. I didn't notice how many desks were in the outer office. I didn't notice any wardrobe to put clothes in. I don't know how many windows are in the front office. I went through the first office into the second office. The factory was still and quiet when I was there. I am fourteen years old and I worked on the fourth floor of the factory. I knew the paying-off time was twelve o'clock on Saturday and that is why I went there. They don't pay off in the office, you have to go up to a little window they open.

RE-DIRECT EXAMINATION.

The door to the metal room is sometimes closed and sometimes open. When the factory isn't running the door is closed.
